To Jack & Jeri Kalvan,

Thank you for your recent performances at the Magic Castle.
The audiences loved the uniqueness of your act, and your professionalism .

The originality of your act, your comedy, and how you tailored your show specifically for the Magic Castle was greatly appreciated and enjoyed by the members and their guests attending the shows in the Palace of Mystery. The interaction between the two of you on stage was delightful. You were visual, high energy and fun.

Your performances were truly magical.
The World Famous Magic Castle looks forward to your return.

Regards,
=Jack=
